- | | |
|------------------|----------------|
| 1. Hardly at all | 4. Pretty well |
| 2. Not so well | 5. Very well |
| 3. Fairly well | |

Instructions

The following is a questionnaire that asks you to judge this person's ability to do a variety of very practical skills. Some of the questions may not apply directly to things they often do, but you are asked to complete each question as if it were something they "had to do." On each question, you should judge how easy or difficult a particular activity is for them and mark the appropriate space.
